From novelties in our sales, hardware, and low-voltage businesses to inside news on our internal operations, Kambrian aims to keep customers informed. Keep reading to get the latest scoop.

Our New Ventures!

The month of December has been a very exciting month among the Kambrian team. An exciting endeavor our corporation has embarked upon are all the new states we are growing into. Kambrian has been added as a vendor to a McAfee contract for the State of Ohio. Our team is also actively engaging with customers in these states: NY, NJ, MA, FL, GA, WA, NV, IL, and TX. Kambrian vigorously attends various (virtual) outreach events organized by these government agencies. We are proud to be a growing small business!

Recently, Kambrian was added as a dealer to the Open Text GSA Schedule. The Open Text GSA Schedule is the Central Procurement agency for all federal agencies. [Click here to find out more!](#)

Tech News

An exciting element we are adding to Kambrian's toolbox is we are newly a Prime Reseller of Durabook! Durabook is a manufacturer of premium, ruggedized computers and laptops. So far, we have had the opportunity to sell a test unit to City of Oceanside – a test unit offers the customer an opportunity of a trial for the product. We look forward to expanding our business with Durabook! [Visit this website to find out more!](#)
